AUSL ALL-STAR CUP 101

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each series of games with the top four players on the individual leaderboard serving as the team captains. The captains will fill their rosters by selecting 14 other players. Each draft will be held two days prior to the start of each series.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons orange jerseys. The third-place team will wear blue jerseys during each series and the fourth-place team wears purple jerseys.

Each team will consist of 15 players, including four pitchers, two catchers, three middle infielders, three corner infielders and three outfielders.

RULES OF INTEREST

Game Duration: Each AUSL All-Star Cup game will consist of seven (7) innings regardless of the game's score. Unlike previous AU Pro Softball AUX and Championship Seasons, however, the bottom of the seventh inning will not be played if the home team is ahead in the game as no win points are awarded for the seventh inning.

Extra Innings: Team inning points and individual stat points are not earned in extra innings. Only inning points that have carried over from the seventh inning and game win points can be accumulated. No individual stat points will be awarded once a game goes past the seventh inning.

Captain's Challenges: Each captain will be permitted two (2) video review challenges per game, which will be reviewed by the replay official for a final decision. A challenge must be indicated by one of the two designated team representatives either verbally or visually before the next pitch is thrown, before all members of the infield have left their positions and fair territory, or before the umpires have left the field of play. A challenge is indicated visually by tapping the top of the head with one hand.

Umpires are also permitted to initiate a video review of any call from the reviewable plays list **once the game reaches the sixth inning**. Furthermore, the crew chief may initiate a review at any point during the game when a play is not properly covered by an umpire (i.e. uncovered or double covered with a different signal from each umpire).

The following plays can be reviewed:

- Regarding batted balls (any ball higher than the top of the foul pole when it leaves the field cannot have that aspect reviewed):
 - Deciding if a batted ball called fair is fair or foul
 - Deciding if a batted ball called foul should be a ground-rule double, home run or hit-by-pitch
 - Deciding if a batted ball is or is not a home run
- Regarding pitched balls at the plate:
 - Deciding if a pitch ruled a dropped third strike was caught before the ball touched the ground
 - Deciding whether a live or dead ball should be changed to a foul ball
 - Deciding whether a foul ball should be changed to a foul tip only with no base runners, or if it would result in a third out
 - Deciding whether a batter is entitled to an award of first base per hit batter (by pitch) - whether the ball hit the batter, whether the ball was entirely in the batter's box, whether the batter made an attempt to get out of the way of the pitch when required, and/or whether the batter intentionally tried to get hit by the pitch
- Spectator Interference
- Obstruction and Interference (including collisions)
- Deciding if malicious/flagrant contact occurred
 - Umpires may initiate this review without requiring a Coach's Challenge at any point in the game to ensure player safety
- Timing Plays (deciding whether a third out is made before the lead base runner touches home plate)
- Force/Tag Plays (plays involving all runners acquiring the bases before the defensive player's attempt to put the runner out at any base)
- Blocked or Dead Ball/Placement of Runners (deciding whether a ball not ruled blocked should be ruled blocked and the proper placement of runners [per rule book] after any blocked or dead ball call)
- Catch or No Catch (any situation)
- Runners leaving the base prior to the touch on a fly ball (tagging up), runners missing a base and runners leaving early on a pitch
 - The crew chief may not initiate a review of runners leaving early on a pitch; this review is only allowed by a coach's challenge
- Any of the listed reviewable items if the action on the field results in a dead ball

INDIVIDUAL LEADERBOARD

While traditional softball statistics are kept during each AUSL All-Star Cup game, players earn individual points by accumulating those statistics. Points accumulated by statistics, inning and/or game wins and MVP selections are used to create an individual leaderboard, which determines captains for each series and the individual champion at the end of the season.

Points are awarded at the following increments during the game:

Single	+10 Points
Double	+20 Points
Triple	+30 Points
Home Run	+40 Points
Stolen Base	+10 Points
Caught Stealing	-10 Points
Base on Balls	+10 Points
Hit By Pitch	+8 Points
Sacrifice Fly/Bunt	+10 Points

In addition, pitchers are awarded at the following increments during the game:

Out Recorded	+4 Points
Earned Run Allowed	-10 Points

Athletes will be awarded 10 individual points if their team wins a single inning. If the teams score the same number of runs in an inning, the points carry over to the next inning. The maximum number of inning win points a team can earn in a game is 60 as no win points are awarded for the seventh inning.

All of the athletes on the winning team in each game are awarded 70 individual points toward the individual leaderboard. The total score determines the overall game winner, which means a team may lose multiple innings, but still win the overall game.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

A player may also receive 20 leaderboard points by being selected as the game's Defensive MVP. The player will only receive the points if the following conditions are met:

- The player is not selected as one of the three Game MVPs
- At least 50 percent of the players eligible must vote for a Defensive MVP

POSTSEASON AWARDS

At the conclusion of the 2025 AUSL All-Star Cup season, medals will be presented to the top four finishers on the leaderboard in addition to the Defensive Player of the Year and the Rookie of the Year. An All-Defensive Team will also be recognized as part of the closing ceremony.

ATHLETE COMPENSATION

Athletes are compensated in three ways during an Athletes Unlimited season, including base pay, win bonuses (inning and game wins) and a leaderboard bonus. The leaderboard bonus also includes an additional donation equal to 100 percent of the athlete's win bonus to their selected cause partner.

THE MEDALS

The top four players on the final leaderboard in addition to the Defensive Player of the Year and the Rookie of the Year will receive a medal designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiteella, inc. The front face of the medal represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound exclusively for Athletes Unlimited and serves as a record keeper of its leagues, including the Athletes Unlimited Softball League. The book, which was handmade by Tikhon Verygyn in his studio in Kyiv, Ukraine, weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book opens during each season's Opening Ceremony and is closed after the champion's name is inscribed into the book during the Closing Ceremony. The tradition started during Athletes Unlimited Pro Softball's inaugural season in 2020.

FACILITATOR

EMILY CAROSONE

Emily Carosone, who has enjoyed success at every level of her softball career, will be looking for even more success as she serves as a facilitator during the 2025 Athletes Unlimited Softball League (AUSL) All-Star Cup.

Carosone, who was a facilitator during the 2024 Athletes Unlimited Pro Softball Championship Season, completed her first season as the head softball coach at Campbell University this past spring. She guided the Fighting Camels to a 37-20 overall record, including an impressive 19-8 mark in Coastal Athletic Association play. Campbell won three straight games in the CAA Tournament to reach the final before falling twice to second-seeded Elon.

In Carosone's inaugural season at the Buies Creek, N.C., school, the Camels had four players earn All-CAA recognition, including freshman Hannah Cornetto, who was named as the league's Rookie of the Year along with receiving First-Team All-CAA plaudits. Junior Tyra Parker and sophomore Megan Gregory joined Cornetto on the All-CAA First Team, while junior Allyiah Swiney was a Second-Team All-CAA choice.

Carosone, a 2016 graduate of Auburn University, spent the previous four seasons as a member of Coach Mickey Dean's staff at her alma mater. She was promoted to associate head coach before the 2024 campaign after serving as an assistant coach during the previous three seasons. The Tigers authored a 139-81-1 record during Carosone's four-year stint while reaching the NCAA Tournament during all four seasons.

Carosone guided Auburn to a .976 fielding percentage in 2024, which ranked second in the Southeastern Conference and 12th in NCAA Division I. In addition, the Tigers' outfield unit combined to commit just one error during the entire season.

In 2023, the Tigers posted a 43-19 record, marking the highest win total during the Dean era. Auburn also garnered a 15-9 mark in SEC play to register its first winning season in league play since 2017. The season also featured the Tigers' first series win at LSU and an appearance in the NCAA Clemson Regional final.

Nelia Peralta and Denver Bryant claimed Second-Team All-SEC honors during the 2023 campaign. Peralta paced the Tigers in hits (54), runs scored (39), walks (43) and batting average (.329), becoming the first Auburn player with 50 or more hits in a season since 2019. Bryant, meanwhile, turned in a .322 batting average against league opponents.

The Auburn defense also shined during the 2023 campaign, posting a .973 fielding percentage. Sophomore catcher Aubrie Lisenby was the defensive leader after closing the campaign with a perfect fielding record behind the plate along with throwing out eight runners.

During Carosone's second year on the Plains, the Tigers finished with a 40-17 record and secured victories over No. 8 Kentucky and No. 7 Florida. She worked with the Auburn infielders, including SEC Freshman of the Year Bri Ellis. Ellis committed just three errors at first base to finish with an impressive .989 fielding percentage.

Auburn navigated the challenges of the COVID-19 pandemic in Carosone's first year as a full-time assistant, authoring a 27-24 record and earning a berth in the NCAA Tournament. Playing the seventh-toughest schedule in the nation, the Tigers won at Missouri, Texas A&M and LSU for the first time since 2015 in addition to an upset series victory over Kentucky.

Carosone first joined Dean's staff as a graduate assistant prior to the beginning of the 2017 fall season. She went on to work as a volunteer assistant coach during the 2018 and 2019 seasons before departing to train for the 2020 Tokyo Olympics as a member of the Italian National Team.

As a player at Auburn, Carosone guided the Tigers to a pair of SEC Tournament titles and back-to-back NCAA Women's College World Series appearances. She stands as the program's all-time leader in batting average (.406), hits (285), runs scored (267), on-base percentage (.534) and times hit by a pitch (85).

She earned NFCA All-America laurels three times, including First-Team status as a junior. She was also a Top-10 finalist for the USA Softball Collegiate Player of the Year in 2015 and claimed All-SEC honors as a sophomore and junior.

Carosone went on to play four seasons professionally after being taken with the No. 22 overall selection by the Chicago Bandits in the 2016 National Pro Fastpitch Draft. She amassed 113 hits, including 14 home runs, with 73 runs batted in and 73 runs scored.

A .273 career hitter in her professional career, Carosone earned a share of the home run title during the 2018 NPF season after belting 12 homers. She helped the Bandits win the Cowles Cup during her rookie season with a thrilling comeback victory over the USSSA Pride in the championship series.

Carosone, who holds dual citizenship in Italy and the United States, was a starter in all five games for Team Italy during the 2020 Tokyo Olympics.

She earned her bachelor's degree from Auburn in psychology with a minor in business.
