2026	Team Watley vs. Team Fernandez				

Rain, Rain Go Away: The AUSL Pro Games at the Little League Softball World Series event has been halted in each of the last two years due to inclement weather ... The 2024 doubleheader was stopped due to weather conditions in the top of the second inning during the opener between Team McQuillin and Team Kilfoyl ... Last year's twinbill ended prematurely because of weather in the top of the second inning during the first game between Team Corrick and Team Ocasio.

What's On The Line: The first three editions of the AUSL Pro Games at the Little League Softball World Series featured games which were part of the league's All-Star Cup or Championship Season schedule ... This year's single contest will be an exhibition game with no bearing on the All-Star Cup, which begins this weekend at Parkway Bank Sports Complex in Rosemont, Illinois.

- Tonight's game will be played with AUSL regular season rules ... In addition to the run rule, the AUSL tiebreaker rules will apply if the game requires extra innings with a runner being placed on second base.

Memory Bank: Team Watley pitcher **Odicci Alexander-Bennett** and Team Fernandez catcher **Mia Davidson** both captained their teams to a victory during the inaugural event in 2023 ... Davidson's squad outlasted Team Romero by a 4-3 margin after rallying for two runs in the bottom of the sixth inning on back-to-back home runs from **Erika Piancastelli** and **Nadia Taylor** ... Alexander-Bennett's team earned a 4-3 walk-off victory in nine innings during the nightcap with an RBI single from **Aliyah Andrews**.

Sweet Caroline: Team Fernandez outfielder **Caroline Jacobsen** played for Team Faraimo in the 2023 AUSL Pro Games at the Little League Softball World Series ... Jacobsen went 0-for-3 with a strikeout in the 4-3 extra-inning setback against Team Alexander.

Stars and Stripes: Three participants in tonight's AUSL Pro Game at the Little League Softball World Series also competed in the International Cup earlier this week in Oklahoma City ... Team Fernandez catcher **Jocelyn Erickson** helped the United States Women's National Team earn the Gold medal, while Team Watley outfielder **Sierra Sacco-Ferrie** and infielder **Sahvanna Jaquish** were members of the U.S. Elite squad which placed third in the eight-team field.

- Erickson appeared in two games during the tournament ... She piloted Team USA to a 10-1 victory over China on Saturday by going 2-for-3 with a home run, three runs scored and four runs batted in ... Erickson also went 1-for-2 in a 6-2 triumph against the U.S. Elite Team on Sunday.
- Jaquish went 2-for-3 with a home run in a 6-4 win over Chinese Taipei to begin the tournament last Thursday before contributing a run in the U.S. Elite Team's 6-2 loss against Team USA on Sunday ... She closed the event with a 1-for-2 effort against Canada on Monday.
- Sacco-Ferrie appeared in four games for the U.S. Elite Team during the tournament with three starts ... She recorded her lone hit in the squad's 10-3 victory over the American Samoa team on Friday night.

Flying High: Team Watley infielder **Sahvanna Jaquish** and catcher **Kailey Wyckoff** joined Team Fernandez outfielder **Caroline Jacobsen** and head coach **Lisa Fernandez** to guide the Utah Talons to their second straight Athletes Unlimited Softball League title with a two-game sweep of the Chicago Bandits in the AUSL Championship at Davis Diamond in late July.
