Parkway Bank Sports Complex, one of the premier softball facilities in the country, serves as the home to the Athletes Unlimited Softball League's Chicago Bandits in addition to the AUSL All-Star Cup competition.

The facility, which features an outdoor stadium with artificial turf and a 140,000 square foot dome, has been the primary location for Athletes Unlimited Softball since the organization's inception in 2020. Since opening in 2011, the venue has entertained a number of events, including Chicago Bandits (National Pro Fastpitch) softball and the Big East Conference (2014-19, 2022) and Chicagoland Collegiate Athletic Conference Softball Tournaments.

During their nine-year stay at the facility, the Chicago Bandits claimed a pair of NPF regular season championships in addition to the 2011, 2015 and 2016 Cowles Cup titles.

At the time of its construction, Parkway Bank Sports Complex became the first facility of its kind built specifically for women's professional sports in the nation.

AUSL ALL-STAR CUP 101

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each series of games with the top three players on the individual leaderboard serving as the team captains. The captains will fill their rosters by selecting 14 other players. Each draft will be held on the first day following the conclusion of the previous series.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons its light AUSL regular season jerseys. The third-place team will wear its AUSL regular season dark jersey during each series.

Each team consists of 15 players, including four pitchers, two catchers, three middle infielders, three corner infielders and three outfielders.

RULES OF INTEREST

Game Duration: Each AUSL All-Star Cup game will consist of seven (7) innings regardless of the game's score. Unlike previous AU Pro Softball AUX and Championship Seasons, however, the bottom of the seventh inning will not be played if the home team is ahead in the game as no win points are awarded for the seventh inning.

Extra Innings: Team inning points and individual stat points are not earned in extra innings. Only inning points that have carried over from the seventh inning and game win points can be accumulated. No individual stat points will be awarded once a game goes past the seventh inning.

Captain's Challenges: Each captain will be permitted two (2) video review challenges per game, which will be reviewed by the replay official for a final decision. A challenge must be indicated by one of the two designated team representatives either verbally or visually before the next pitch is thrown, before all members of the infield have left their positions and fair territory, or before the umpires have left the field of play. A challenge is indicated visually by tapping the top of the head with one hand.

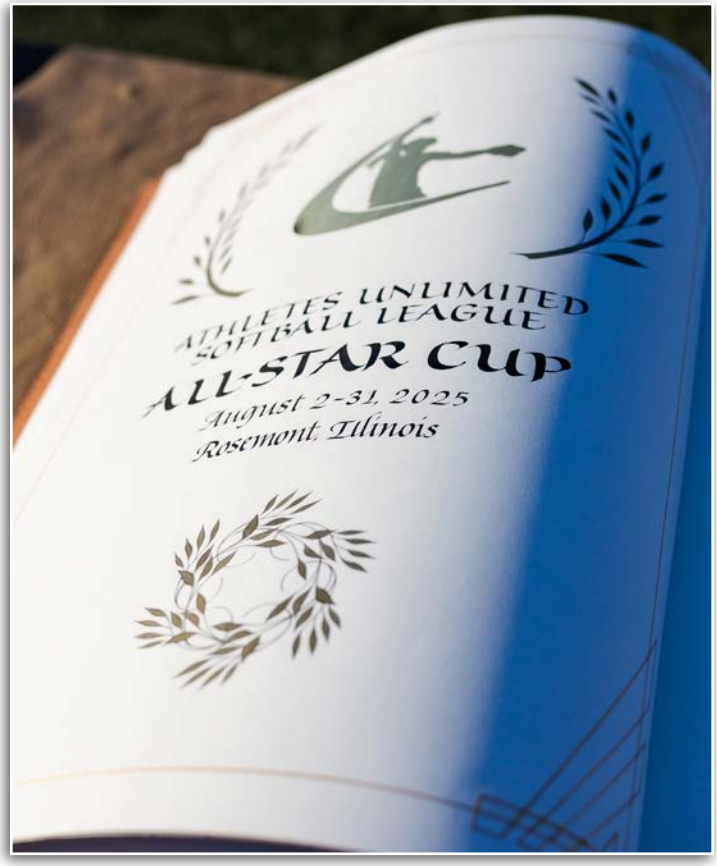

Umpires are also permitted to initiate a video review of any call from the reviewable plays list ***once the game reaches the sixth inning***. Furthermore, the crew chief may initiate a review at any point during the game when a play is not properly covered by an umpire (i.e. uncovered or double covered with a different signal from each umpire).

The following plays can be reviewed:

1. Regarding batted balls (any ball higher than the top of the foul pole when it leaves the field cannot have that aspect reviewed):
   a. Deciding if a batted ball called fair is fair or foul
   b. Deciding if a batted ball called foul should be a ground-rule double, home run or hit-by-pitch
   c. Deciding if a batted ball is or is not a home run
2. Regarding pitched balls at the plate:
   a. Deciding if a pitch ruled a dropped third strike was caught before the ball touched the ground
   b. Deciding whether a live or dead ball should be changed to a foul ball
   c. Deciding whether a foul ball should be changed to a foul tip only with no base runners, or if it would result in a third out
   d. Deciding whether a batter is entitled to an award of first base per hit batter (by pitch) - whether the ball hit the batter, whether the ball was entirely in the batter's box, whether the batter made an attempt to get out of the way of the pitch when required, and/or whether the batter intentionally tried to get hit by the pitch
3. Interference including collisions (reviewable if not called on the field)
   a. Batter interference and spectator interference may be reviewed at any time
4. Obstruction
5. Deciding if malicious/flagrant contact occurred
   a. Umpires may initiate this review without requiring a Coach's Challenge at any point in the game to ensure player safety
6. Timing Plays (deciding whether a third out is made before the lead base runner touches home plate)
7. Force/Tag Plays (plays involving all runners acquiring the bases before the defensive player's attempt to put the runner out at any base)
8. Blocked or Dead Ball/Placement of Runners (deciding whether a ball not ruled blocked should be ruled blocked and the proper placement of runners [per rule book] after any blocked or dead ball call
9. Catch or No Catch (in any situation)
10. Runners leaving the base prior to the touch on a fly ball (tagging up), runners missing a base and runners leaving early on a pitch
    a. The crew chief may not initiate a review of runners leaving early on a pitch; this review is only allowed by a coach's challenge
    b. If leaving early is not called on the field and a runner successfully advances a base on the play, this is reviewable with a Coach's Challenge with the following exceptions: Out of the park home run, hit by pitch, ground rule double, foul ball, lead off, or blocked ball base award on a pitch, a walk or catcher obstruction.
11. Base running situations
    a. A baserunner passes a preceding runner before that runner is put out
    b. If a batter-runner, after overrunning first base, makes an attempt toward second base
12. Any of the listed reviewable items if the action on the field results in a dead ball

The following criteria will be used for video review:

1. All equipment should be tested by appropriate personnel before each game.
2. A ruling on the field will only be changed if there is indisputable video evidence to reverse the call. Absent that evidence, the original ruling on the field will stand.
3. A review must be verbally or visually indicated before the next pitch, before the pitcher and all infielders have clearly vacated their normal fielding position and left fair territory, or the umpires leave the field of play.
4. Captains have 30 seconds to verbally or visually lodge a challenge.
5. The video review may be conducted on-site by the crew chief or by an off-field official at a centralized video review location.
6. If video review is conducted on-site by the crew chief, the video review area shall not require an umpire to walk through spectators or dugouts to view the coverage. At least one umpire must remain on the field.
7. During the review, the defensive team shall maintain their position on the field and may warm up if desired. Offensive base runners, current batter and the on-deck batter also shall remain on the field, but may leave their current position. Other personnel shall remain in the dugout. Any defensive or offensive conferences will be charged as during any other part of the game.
8. Once the review is completed, the crew chief will communicate the ruling to both head coaches and the official scorer using the following criteria. This should also be communicated to the broadcasting booth, if applicable, via the umpire who has a microphone.
   a. Ruling on the field is upheld
   b. Ruling on the field is changed
9. If the reversing of a call results in the need for decisions on the placement of base runners, the crew chief shall use their best judgement and/or the appropriate rule to determine where to place the runners as if the call had been made correctly.
10. The final decision may not be argued by either Captain. A Captain who argues the final decision shall be immediately ejected.

AUSL ALL-STAR CUP 101

INDIVIDUAL LEADERBOARD

While traditional softball statistics are kept during each AUSL All-Star Cup game, players earn individual points by accumulating those statistics. Points accumulated by statistics, inning and/or game wins and MVP selections are used to create an individual leaderboard, which determines captains for each series and the individual champion at the end of the season.

Points are awarded at the following increments during the game:

Single	+10 Points
Double	+20 Points
Triple	+30 Points
Home Run	+40 Points
Stolen Base	+10 Points
Caught Stealing	-10 Points
Base on Balls	+10 Points
Hit By Pitch	+8 Points
Sacrifice Fly/Bunt	+10 Points

In addition, pitchers are awarded at the following increments during the game:

Out Recorded	+4 Points
Earned Run Allowed	-10 Points

Athletes will be awarded 10 individual points if their team wins a single inning. If the teams score the same number of runs in an inning, the points carry over to the following inning. The maximum number of inning win points a team can earn in a game is 60 as no win points are awarded for the seventh inning.

All of the athletes on the winning team in each game receive 70 individual points toward the individual leaderboard. The total score determines the overall game winner, which means a team may lose multiple innings, but still win the overall game.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

A player may also receive 20 leaderboard points by being selected as the game's Defensive MVP. The player will only receive the points if the following conditions are met:

- The player is not selected as one of the three Game MVPs
- At least 50 percent of the players eligible must vote for a Defensive MVP

POSTSEASON AWARDS

At the conclusion of the 2026 AUSL All-Star Cup season, medals will be presented to the top three finishers on the leaderboard. The medals are designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiitellä, inc. The front face of the media represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

ATHLETE COMPENSATION

Athletes are compensated in three ways during an AUSL All-Star Cup season, including base pay, win bonuses (inning and game wins) and a leaderboard bonus. The leaderboard bonus also includes an additional donation equal to 100 percent of the athlete's win bonus to their selected cause partner.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound exclusively for Athletes Unlimited and serves as a record keeper of its leagues, including the Athletes Unlimited Softball League. The book, which was handmade by Tikhon Verygyn in his studio in Kyiv, Ukraine, weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

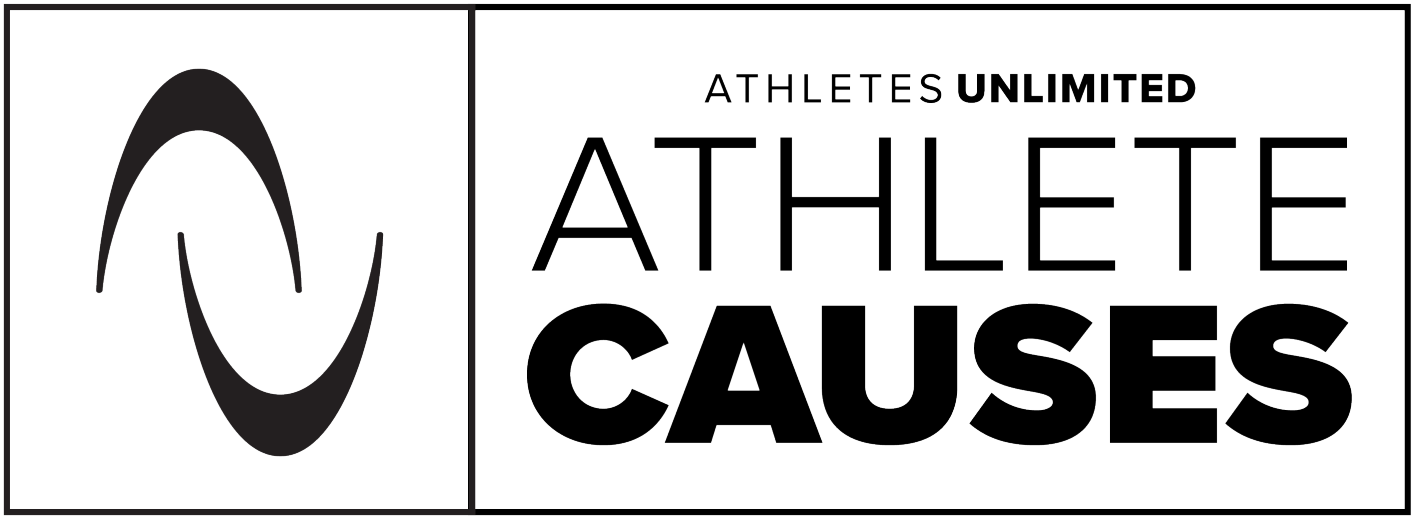

The book opens during each season's Opening Ceremony and is closed after the champion's name is inscribed into the book during the Closing Ceremony. The tradition started during Athletes Unlimited Pro Softball's inaugural season in 2020.

ATHLETE CAUSES

The Athlete Causes program, powered by Give Lively, provides funding to each player's chosen charity equal to 100 percent of their season win bonus and players will have the opportunity to create their own fundraising pages to support the organizations of their choice.

AUSL

LEADERSHIP

Kim Ng was named as the Athletes Unlimited Softball League's first commissioner on April 16, 2025.

KIM NG

COMMISSIONER

Kim Ng, a trailblazing executive and the first woman to serve as the general manager of a major American men's professional sports team, was named as the first commissioner in the history of the Athletes Unlimited Softball League on April 16, 2025.

Under Ng's leadership, the AUSL has established itself as a growing force in professional women's sports. Following a successful inaugural season in 2025 that included a landmark investment from Major League Baseball, the league expanded to six teams in 2026 and continued to build momentum across the business. The AUSL has recorded 50 sellout crowds through its first two seasons while ESPN viewership increased 152% in 2026. In addition, merchandise sales rose by 110% and the league generated 453 million social media impressions. The 2026 campaign culminated with a historic championship broadcast on ABC that averaged 732,000 viewers, the largest audience ever for a professional softball game.

Ng joined the Athletes Unlimited staff following a four-year tenure as the general manager for the Miami Marlins. In Ng's time with Miami, the Marlins authored the fourth-best winning percentage in franchise history during the 2023 season while garnering the franchise's first full-season postseason berth in 20 years.

In 2021, Ng was recognized as the Best Hire in Sports by Sports Business Journal along with being named Trailblazer of the Year by Baseball America. She was also recognized as a Game Changer by the Asia Society in addition to receiving the Billie Jean King Leadership Award from the Women's Sports Foundation and the Lou Gehrig Sports Award from the ALS Association of Greater New York.

Prior to her time with the Marlins, Ng served as Senior Vice President of Baseball Operations with Major League Baseball for nine years and was the highest-ranking Asian-American female baseball executive. She directed international baseball operations while working with the front offices of the league's 30 clubs in addition to many other baseball leagues and entities.

In addition, she guided a team which set policies for international signing rules, established MLB's first system for registering international players for signing, and managed protocols for signing international players.

Ng also focused efforts on growing the game of baseball while anchoring the league's efforts in improving quality of play, caliber of talent and rate of participation for amateur baseball around the world. She also supervised the league's playing initiatives for girls and women while serving on MLB's Diversity Pipeline Advisory Committee.

Ng started her baseball career with the Chicago White Sox as an intern in 1990 before rising to the position of Assistant Director of Baseball Operations. After serving as the Director of Waivers and Records for the American League in 1997, she joined the New York Yankees as Assistant General Manager from 1998-2001.

When she was hired by the Yankees, Ng was the youngest person in the league to hold that title at 29 years old in addition to being just the second woman to be an Assistant General Manager with an MLB club.

In 2002, Ng joined the Los Angeles Dodgers staff as Vice President and Assistant General Manager, a position she held for nine years. Her primary duties included assisting in player transactions, trades and free agent signings, while also overseeing the team's arbitration efforts. She also oversaw the organization's pro scouting, medical and video departments.

Ng also served as the Dodgers' interim Farm Director in 2004, overseeing all player development.

Ng was part of nine combined postseason appearances during her tenure with the White Sox, Yankees and Dodgers, including six League Championship Series berths. The Yankees won three World Series titles during her four years with the organization.

Ng has received many honors and awards during her historic career. She has appeared on Forbes' Most Influential Minorities in Sports and Most Influential Women in Sports lists along with being recognized on Adweek's Most Powerful Women in Sports group. She was recognized as one of InStyle Magazine's Badass 50 Women in addition to being included on the list of the South Florida Business Journal's Power Leaders.

A graduate of the University of Chicago with a degree in public policy, Ng was a four-year letter winner for the softball team.

SAM FISCHER

DIRECTOR, SOFTBALL OPERATIONS

After making an impact on Athletes Unlimited during her playing career, Sam Fischer has continued to play an important role in the organization's success by serving as the Director of Softball Operations for the Athletes Unlimited Softball League.

The AUSL has established itself as a growing force in professional women's sports during Fischer's first two years. After a successful inaugural season in 2025 that included a landmark investment from Major League Baseball, the AUSL grew to six teams this past summer while continuing to build momentum across the business. The AUSL has recorded 50 sellout crowds over two seasons, while ESPN viewership increased 152% in 2026. Merchandise sales also rose 110%, and the league generated 453 million social media impressions. The 2026 campaign culminated with a historic championship broadcast on ABC that averaged 732,000 viewers, the largest audience ever for a professional softball game.

Fischer, who competed during all eight AU Pro Softball seasons, closed her AU Pro Softball career as one of seven players to appear in 100 or more games between AUX and Championship Season play. She finished with a .333 career batting average, while her 86 combined hits rank eighth on the league's all-time career chart.

In addition, Fischer collected 57 runs batted in during her 106-game career, which are tied for fifth in AU Pro Softball history. The Simi Valley, Calif., product also scored 36 runs in her career while registering 14 home runs, two triples and 10 doubles.

Fischer enjoyed her best year of AU Pro Softball competition in 2022, earning an eighth place showing on the final AUX leaderboard before securing seventh place during the league's Championship Season. She authored a .375 batting average during 12 AUX contests while adding two home runs with a career-high 11 runs batted in before adding three home runs and 10 runs batted in over 15 Championship Season fixtures.

In 2023, Fischer secured a 13th place finish during the AUX competition before posting a 12th place showing on the final Championship Season leaderboard. She ended the AUX season with a .368 batting mark after compiling 14 hits over 10 games, before hitting at a .273 clip in Championship Season play with 12 hits, including two home runs and two doubles.

Fischer spent her final two years serving as the chairperson of Athletes Unlimited Pro Softball's Player Executive Committee, providing leadership over the league's five-person group.

Fischer played in 81 games over two seasons with the Akron Racers of National Pro Fastpitch, belting 19 home runs with 51 runs batted in. She signed with Scrap Yard Fastpitch in 2018 and also played two years in the Japan Diamond League with the Toda Medics.

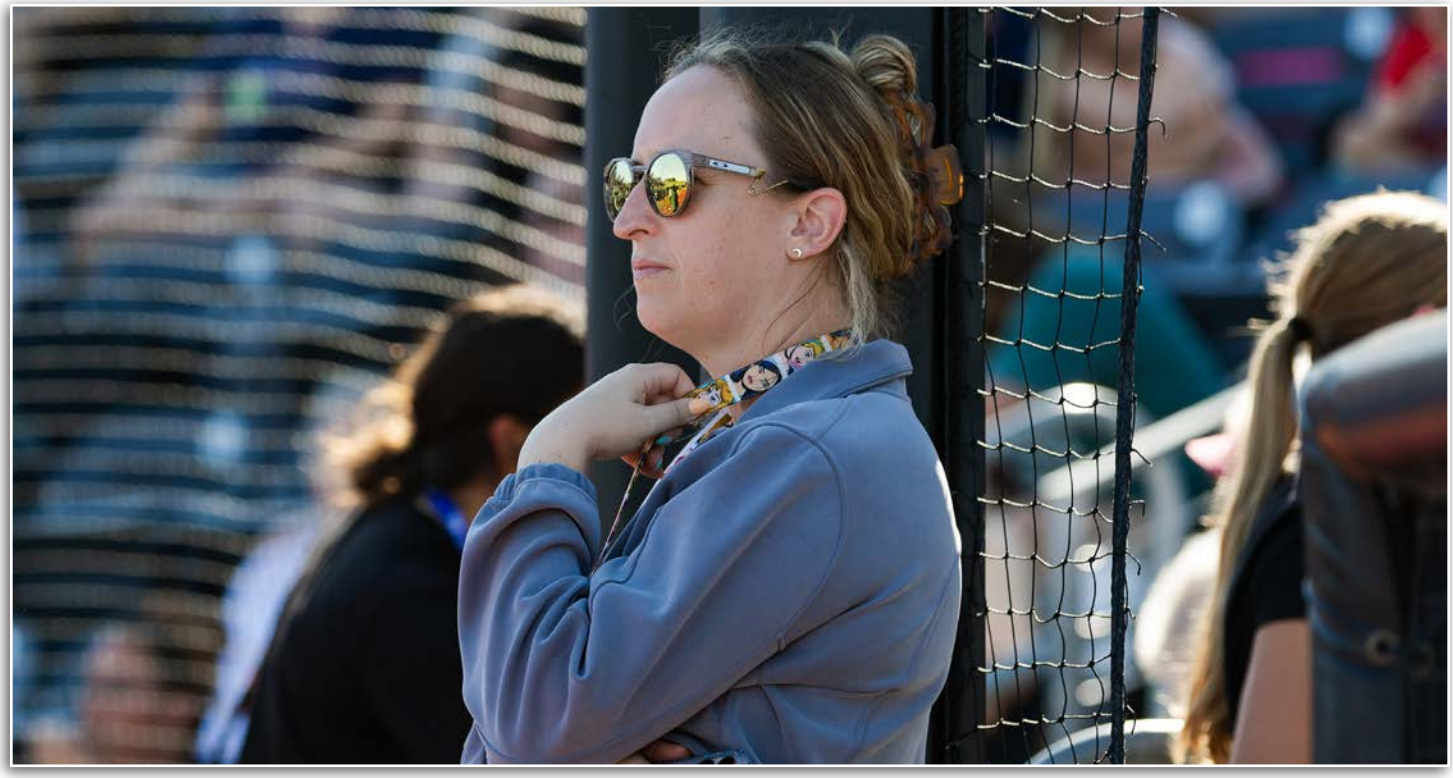

Fischer also enjoyed a lengthy career with Team USA, competing with the squad from 2012-15 along with a stint with the Team USA Women's Elite squad in 2016. She fashioned a .330 batting average with eight home runs and 31 runs batted in during her time with the national team while earning a pair of Gold medals at the World Cup of Softball and Japan Cup in 2015.

Team USA also collected a Gold medal at the 2014 World Cup of Softball with Fischer on its roster. She also earned a pair of Silver medals with Team USA at the 2012 and 2014 ISF World Championships.

A four-year letter winner at Loyola Marymount from 2009-12, Fischer was the first player in program history to earn First-Team All-Pacific Coast Softball Conference recognition four times while claiming a spot on the NFCA All-America Second Team during her senior season after leading NCAA Division I with a .492 batting average.

The two-time PCSC Coastal Division Player of the Year finished her career as the Lions' all-time leader in home runs (65), runs batted in (172), total bases (495), batting average (.387), slugging percentage (.786), on-base percentage (.494), runs scored (194), doubles (52) and walks (127).

JESSICA MENDOZA

ADVISOR

Jessica Mendoza, a two-time Olympian and four-time NFCA All-America First Team honoree, has certainly made her mark as one of the greatest players in softball history. She hopes to make even more history with the Athletes Unlimited Softball League by serving as an advisor.

The only player in Stanford history to earn First-Team All-America status four times, Mendoza also holds the honor of being one of two Cardinal student-athletes to ever secure four All-America citations. She also collected First-Team All-Pac-12 Conference plaudits every year and was honored as the league's Player of the Year in 2000.

Mendoza's name is etched thoroughly throughout the Stanford single-season and career record books. She holds the top spot on the Cardinal's career charts for batting average (.416), hits (327), home runs (50), slugging percentage (.719), runs scored (230) and stolen bases (86).

In addition, Mendoza ranks third in school history with 70 career doubles and 188 career runs batted in, while her 786 at-bats are good for second on the all-time ledger.

Mendoza, the only player in Stanford history to hit over .400 in three seasons during a career, established the program single-season standard during her sophomore year when she fashioned a .475 batting average. She also set a program record by scoring 70 runs during the 2001 season while appearing in a school-record 71 games.

Mendoza also owns the distinction of being one of two players in Stanford history with 90 or more hits in a single season when she tallied 94 hits in her sophomore season.

During her four-year career, the Cardinal posted a 183-79-1 record with four NCAA regional appearances, including the program's first-ever Women's College World Series berth in 2001. Led by Mendoza, Stanford won a school-record 54 games, including victories over LSU and California in the Women's College World Series.

After closing her college career, Mendoza played four seasons in National Pro Fastpitch. She opened her professional career with the Arizona Heat in 2005, fashioning a .491 batting average with 29 hits, including five doubles and eight home runs.
